## Super Nonno

The Adventures of Super Nonno

By Guy Marini  
Illustrated by Brian Garton & Michael Garton  
A Super Nonno Book

*An older Italian gentleman is transformed from a normal, lower energy, boring guy to a virtual Super Hero thanks to his grandchildren. The book tells the story of a typical exciting day with Super Nonno, his grandchildren and the loyal, royal puppy Sir Oliver. The story ends with an interesting question intended to promote discussion between parent and child.*
